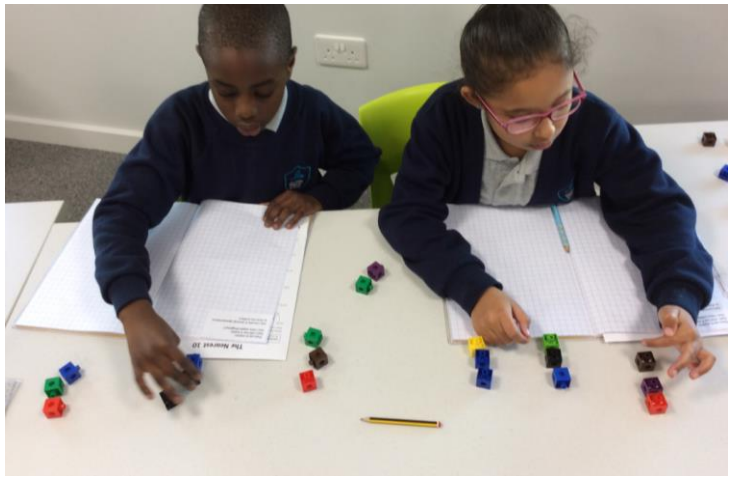
In English, we have written a persuasive letter to King Minos pretending to be King Aegeus of Athens. Also, we wrote a fact file about our favourite Greek Gods and Goddesses.

In November we took part in a fantastic workshop about ancient Greece. Our class acted out some famous battles and amazing myths.

In RE we have started to look at celebration and how different faiths celebrate different holidays.



In Maths, we have learnt how to do column method addition and subtraction with exchanging. We have also moved on to the topic of multiplication in which the children have been hands on with the manipulative.

In design technology this term we have made wings like Icarus that linked in with our topic of Gods and Mortals.
