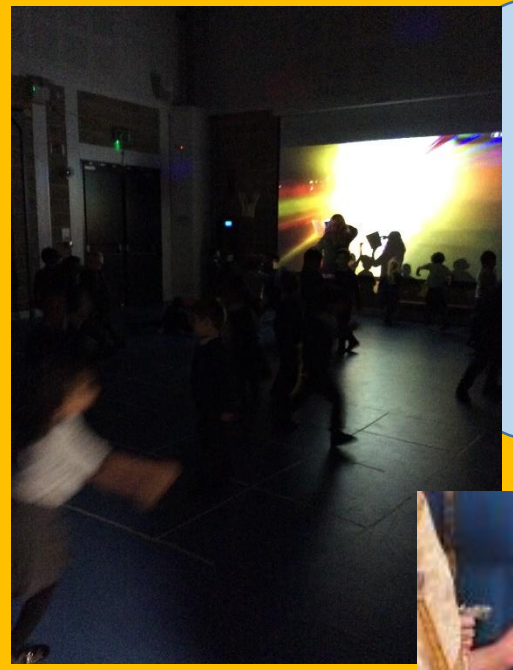
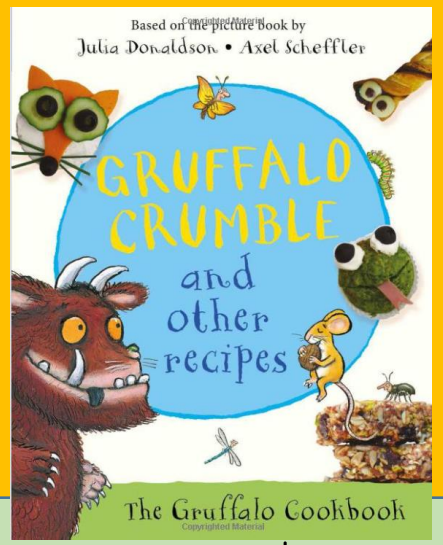
May

In our topic, Animal Safari we have been learning about the different habitats of animals.



We had an amazing time celebrating the King's coronation. We took part in a assembly, parade and a disco!

In maths we have been comparing quantities. We know that 8 is greater than 5.



In Literacy we chose a recipe out of the book 'Gruffalo Crumble'. We made our very own healthy Owl Ice-cream. It was delicious! We wrote our very own review.
