Monday 10<sup>th</sup> September 2018

Dear Parents/Carers

**Food Technology Contribution**

Food Technology is an integral part of the curriculum that our students access throughout the academic year. Each child accesses one Food Technology lesson per week, in which they will be learning basic skills from stirring and mixing through to full baking of consumables.

We are requesting that parents make a £10 voluntary donation per term towards the cost of the cooking ingredients that their children will be using throughout the year. It is noted that this is a voluntary donation and your child will not be withdrawn from Food Technology if the donation is not forthcoming. However, this may affect the quality of the ingredients or the types of recipes that our children will be exposed to.

We would be grateful if you could return the reply slip below with any forthcoming donation.

Kindest Regards

Miss C Maskell  
Food Technology Teacher

---

Please return this reply slip to Miss Maskell

Childs Name: \_\_\_\_\_ Class: \_\_\_\_\_

Please find attached a voluntary donation of £ \_\_\_\_\_ for my son/daughters Food Technology lessons for the Autumn Term 2018.

Parent's Name: \_\_\_\_\_
