Curriculum is beginning to shape up- Deputy Head, Mrs Fisher, is ordering lots of new learning resources for the children and young people and working hard with the Assistant Headteachers to improve curriculum planning. For our older students, we now have accreditation pathways in place.

Our Assistant headteachers, Ms Srifet-Jenner, Ms Clark and Mr Chaplin are all now in charge of age phases in the school-their work will be focused on the day-to-day management of the phases and teaching and learning. I will ask them to write to you to confirm which phase your child is in. You can then contact them if you have queries or concerns, which I hope you will find useful. The external consultant visit highlighted how well they know the pupils in their phases.

I hope this information reassures you that the school is on the right track now and that you can have a peaceful festive season.
Mrs Cerri, myself and all the staff look forward to seeing you in the New Year,

Very best wishes,

Sue Ball
