Wednesday 16<sup>th</sup> September 2020

Dear Parents/Carers,

**Food Technology**

All our students have the opportunity to access Food Technology lessons once a week across all pathways. During this time they will be exploring food and in many cases preparing and tasting foods linked to their curriculum.

We are sure you would agree that health and hygiene surrounding food preparation is an essential life skill which will encourage independence in all our children's future.

In order to ensure the children have access to a range of quality products on a weekly basis we are requesting that parent/carers make a payment of £10.00 each term to cover the costs of the produce.

Payments are to be made through ParentPay. You are welcome to make 3 termly payment of £10 or a one off payment of £30 for the school year.

Kindest Regards

Mrs K Cerri

Headteacher
