Dear Parents/Carers,

It is with sadness that due to the rise in confirmed covid-19 in the local area, the decision has been made to cancel coffee morning and parent workshops, until further notice.

Following government guidelines – we do not want to encourage additional movement for parents/family or friends within and around the local community.

We will keep all parents up to dates as to when and how we restart these sessions.

Thank you for your understanding at this time and your continued support.

Kindest Regards,

Mrs K Cerri
