Friday 3rd
September 2021

Dear Parents and Carers,

Food Technology.

All our students have the opportunity to access Food Technology lessons once a week, across all pathways. During this time, they will be exploring foods and in many cases, preparing and tasting foods linked to their curriculum.

We are sure you would agree that health and hygiene surrounding food preparation is an essential life skill which will encourage independence in all our children's future.

In order to ensure the children have access to a range of quality products on a weekly basis, we are requesting parents/ carers make a payment of £10.00 each term to cover the costs of the produce.

Payments are to be made through Parent pay. You are welcome to make three termly payments of £10.00 or a one off payment of £30 for the school year.

Kindest regards,

Mrs C Barros

Food Technology Teacher
