

Friday 25th February 2022

Dear Parents/Carers

Barking and Dagenham College – Horizons Coffee Morning – Year 10

Barking and Dagenham College are hosting a parent and student coffee morning on **Tuesday 22nd March from 10am to 12pm** for potential students and applications for September 2022. Although you do not need to choose a setting for your child until this time next year I feel it would be beneficial for you to try and attend in order to have an idea of the provisions available.

During the coffee morning there will be opportunities to visit the facilities on offer for pupils with SEN, meet current pupils and have an insight to the courses provided. It would be a great opportunity to ask questions about the support that may be available to your child and if their needs can be catered for.

More information is provided on the attached flier, you must register to attend the event by emailing info.horizons@bdc.ac.uk or telephone 0203 667 0169 and ask for Linda Willard to book your place.

You are welcome to take your child to the coffee morning at the college and then attend school in the afternoon once it is finished. This would be an authorised absence should you attend.

I would be grateful if you could indicate if you will be attending this event by completing the reply slip below. This will allow us to amend registers and prepare accordingly for any pupils who will remain in school.

Please return the reply slip by Monday March 14th.

If you require further information or need support to book a place please contact me via the school email bridge@riverside.bardaglea.org.uk.

Kind regards,

Mrs Clark
Assistant Headteacher
Leaf and Accreditation Pathways
