Dear Parents/Carers

We are excited to inform you about our upcoming "Jeans for Genes Day" event, which will take place on Monday, September 25th. This event is a fun way for our pupils to express their individuality but also an opportunity to contribute to a worthy cause.

For our Jeans for Genes Day, pupils are encouraged to wear their favourite pair of jeans to school, allowing them to showcase their unique styles and personalities. We kindly request a minimum donation of £1 per pupil through Parent Pay to participate in this charity event. These donations will support genetic disorder research and assist families affected by genetic conditions.

Thank you for your support
