

Dear Parent/Carers,

Photo and Video Footage Consent

At Riverside Bridge, we use information about your child in a number of different ways, and we'd like your consent for some of the ways we use this personal data. We set these out in more detail below.

We are continuously updating the school website and would like to add regular photographs and video footage of our student's daily activities and school events for you to access via our newsfeed.

In addition to using photographs in our school prospectus and newsletters, we endeavour to be more active on our school social media platforms such as our school Twitter and Instagram pages to help us give people an idea of what life at our school is like.

You are able to access our sites using the links below:

School Website: <http://www.riversidecampus.com/bridge>

If you're not happy for us to use information on these channels and throughout our school projects in the ways we list below, that's no problem – we will accommodate your preferences.

Similarly, if you change your mind at any time, you can let us know by emailing bridge@riverside.bardaglea.org.uk.

Why are we asking for your consent again?

As part of our commitment to processing personal data fairly and transparently, we want to remind you of the consent you have previously given us and make sure you are still happy with the ways we use your child's data.

We would appreciate you taking the time to complete and sign this consent form. Once completed the form needs to be return to school as soon as possible.

Thank you for your continued support.
