

**13/12/2023**

**Riverside Bridge school council meeting.**

**Present:**

Mrs Barros

1. Welcome to the new school council members: Kylie, Kobi, Dean
2. A reminder of the head students, deputy head students and secretary and the different committees within the school council.
3. Healthy Living Ambassadors want to promote being healthy and wish to work with the Healthy Living team on sporting and food events plus to take part in work experience with PE and Cooking. Healthy Living Ambassadors want posters around the school and adverts on the tv in the reception area.
4. School council members want more visitors to the meetings, especially SLT and curriculum leads. They would like to know what is happening around the school and would still like to visit other classes during lessons.
5. A request to meet with Aspens regarding the school dinners, they would like more choices and think that the secondary school food looks better than bridge food plus the portion sizes are small and decorations are boring.
6. Visit Thames Road to see the site, meet the teachers and pupils and give the Seeds pupils a voice. Mrs Barros will meet with Mr Flowers to arrange this.
7. Arm bands to wear badges on.
8. Trip as a school council to bowling or Ford Motor company.

End of meeting: 10.00am
