Traction Man

What an exciting adventure for the Kingfisher class on Monday morning. Scrubbing brush Had been kidnapped by Madam Mop and Traction man needed the classes help to rescue him. The class had to wade through squishy sticky mud, use a rope to hoist themselves over the quick sand and walk past Madam mop's stinky poisonous pickled onion snacks. The hero Traction man braved shark infested waters to catch scrubbing brush in his net. What a daring rescue!

Tower of London

In Trout class we have been on a historical trip to the Tower of London. We met the courageous knight Roger De Montgomery, King William the Conqueror's right hand man. He gave us a marvellous tour of the Tower of London and even took us to meet the King himself! We were all privileged to be knighted by the King himself. We explored the true tales from the Tower's colourful history while exploring the different roles and functions in one of the oldest fortresses in Britain. We were fortunate enough to look at the mystique and beauty of the diamonds and the precious Crown Jewels.

Childrens Safety

Can we please remind parents you **can not** pull up or park near the entrance to the school gates to let your children out. This is a busy road used by buses and other vehicles and for health and safety reasons should be kept clear of parked cars at all times. We will be moving cars on that stop here.

School Gates

We would like to remind parents of the school gate opening / closing times :

In the mornings the gate opens at 8:45am and closes at 8:55am. After this time you must report to the main reception and sign your children in.

In the afternoon the school gate opens at 2:55pm and closes at 3:10pm. After which you will need to collect your child from the main reception.

Shuttle Bus

After half term a free shuttle bus will run twice in the morning and twice in the evening to pick up and drop parents to and from school. The bus stop will be next to the printing works on Thames Road (last bus stop before Renwick Road). Parents must stay with their children and bring them into the playground as normal. Exact times of pick ups will be given shortly.

Uniform

Can we please ask that all parents check their children's uniform to make sure they have brought the correctly named items home. If you haven't labelled your child's uniform can we please ask that you do so. If your child has borrowed some uniform/underwear from the school can you please wash and return it to school asap. Thank you.
