

Riverside News

End of year message

Dear parents and carers,

As we move towards the close of another school year. I would like to give my heartfelt thanks to you for your continued support. We have made great progress again and it has been wonderful to receive so many positive comments from parents, carers and the local and wider community which reflects the growing confidence in our school. We are moving to our new building in September and look forward to the exciting new times ahead as the school grows.

I am pleased to announce that the class structure for next will be:

Reception—Otter—Mrs Walsh, Ms Begum, Mrs Murati

Year 1—Kingfisher—Miss Coull, Mrs Bustos, Miss O'Mara

Year 2—Trout—Miss Bowyer, Miss Nawaz

Play Days

On 3rd, 4th & 6th July we opened our doors and welcomed our new reception children. We all had lots of fun getting to know each other and making new friendships.

The children had opportunities to play with different toys and were able to find out about all the fun learning that will take place in September. We look forward to welcoming them back in our new building.

Sports Day

On the afternoon of 14th July Riverside Primary had their first ever sports day.

It took place on the grounds of our lovely new building.

Well done to all who took part. All the children participated really well. I'm sure parents will agree it was a very enjoyable afternoon.

Summer Reading Challenge 2017

THE READING AGENCY AND LIBRARIES PRESENT

ANIMAL AGENTS

SUMMER READING CHALLENGE 2017

animal-agents.org.uk

Our local library staff have been telling the children how to take part in Animal Agents, this year's Summer Reading Challenge.

The children will tell you all about it! All they have to do is read SIX library books and visit the library regularly over the summer, collecting special stickers and incentives along the way.

Please encourage your children to visit the library and sign up and see the difference the Summer Reading Challenge makes to their reading.

We will be celebrating and rewarding all children who took part at the beginning of the new school year.

IT'S FUN!
IT'S FREE!
IT'S LOCAL!

How the Summer Reading Challenge works

- It will run in all Barking and Dagenham Libraries from 15 July to 2 September
- Children sign up at their local library and then read at least six library books of their own choice during the Summer, collecting an Animal Agents folder, special stickers and rewards along the way.
- Look out for fun family-friendly activities in local Libraries, and there's a website to add to the fun too! Go to www.animal-agents.org.uk
- Children who complete the **Summer Reading Challenge** are presented with a certificate and a medal
