Change 4 Life

Our assembly on 20th June was all about Change 4 Life. We learnt about all the foods that are good for you. The children were amazed at how much sugar is in some of their favourite snacks.

Your child has been sent home with a Shake Up passport and stickers for you to use with them over the summer. All you need to do is go to the link below:

<https://www.nhs.uk/10-minute-shake-up/shake-ups>

This is a fun way to encourage your child to stay fit and healthy.

Sign Language songs

The children have been learning a new signing song. Take a look at our Twitter feed to see the video.

Woodland Creatures Homework

The children have made some amazing models for their woodland creatures homework. Well done to everyone that has brought something in. We can see you've all worked extremely hard!

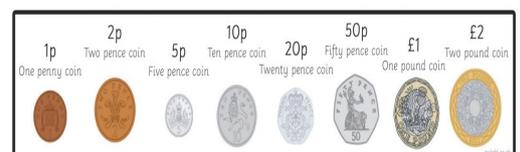

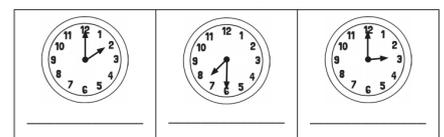

Year 1

In Maths Year 1 have been working on time and money - they love it. Try and refer to these as much as possible when your children are at home and/or you are shopping.

Telling the Time

Write down the time each clock is showing on the line underneath.

Reporting your child's absence from school

If your child is unable to attend school please telephone the school office on 0208 724 8788 before **8:30am**. You can leave a message on the answer machine or email: Primary@riverside.bardagelea.org.uk Please state your child's name, class, reason for absence and a telephone number so we can contact you. You must call the school every day your child is absent to give us an update.

Coming soon Summer Reading Challenge 2017

Each summer the local libraries run a Summer Reading Challenge.

Children should go to their local library to register, where they are given a reading passport and a sticker booklet. Each time they finish a book they need to go to the library and tell a member of staff about their book. They are then given a sticker to put in their book. They need to read six books to finish the challenge.

This year's theme is "Animal Agents". Further information will be in July's newsletter or take a trip to your local library.

Missing Bear

Has anyone seen the school's attendance bear? He's gone missing! If he has accidentally been picked up and taken home could he please be returned to school as the classes are missing out on sharing him each week. Thank you.

Diary Dates

14th July—Sports Day in the afternoon.
Details to follow

School finishes for the Summer on **Wednesday 19th July @ 1pm.**

Take a look at our website for **2017/2018 term dates**
