Harvest

Thank you to everyone that contributed to our Harvest Appeal for Barking Food Bank. Through your contributions we were able to support local families in crisis by providing them with emergency food supplies. A total of 127.8kg was donated. Once again, thank you for your huge generosity.

Dance in Reception

We were very fortunate to have been selected by the borough to take place in Active Start Dance this term. It is led by a specialist dance teacher and aims to introduce dance and movement skills to the children in Otter class. The children have been exploring teamwork and cooperation through the programme and have been having great fun! The lessons will be continuing until December.

Trip to the River

On Tuesday Year 2 spent a lovely afternoon seeking out pirates by the River Thames. It is very close and we recommend everyone to nip over and have a look. Sometimes there are seals there!

Phonics Workshop

We had a brilliant turnout for the Parents Phonics workshop on Friday 13th October.

Thank you to all who came we hope you found it useful.

Aliens

What an unexpected afternoon we had in Kingfisher class this Monday. An alien rocket crash landed into our reading corner launching our new topic, Moon Zoom. The aliens left footprints all around the classroom and green goo on the tables and windows.

What a mess! The crash site was taped off by

officials until we got the all clear that it was safe and free from aliens. We don't know how many aliens were in the space rocket or what happened to them! Are they still in the classroom? Are they hiding around the school? We just don't know, keep your eyes peeled for more alien adventures.
