

Riverside News

Christ Church

As part of our RE syllabus, Otter class had the opportunity to visit a local church. This was Reception's first educational visit and the children truly rose to the occasion. They had the chance to play some musical instruments, sing and they even dressed up to act out the Nativity! We are very proud of our wonderful Otters.

Tower of London

As part of Year Two's Tower, Tunnels and Turrets topic, Trout class recently visited the Tower of London. The children underwent their training to become knights and were then knighted by the Queen! The children had a terrific time learning more about the features of the Tower of London and its astonishing history.

Science Museum

Year 3 visited the Science Museum on 24th January and participated in 'Feel the Force', an action-packed show all about forces. Having encountered, Phil the fearless stunt frog, our pupils were encouraged to think about what makes rockets fly, the meaning of 'aerodynamic' and whether you can ever switch off a magnet? The children truly enjoyed the live demonstrations, which really brought their Science learning to life.

Tuesday 19th March – Reception to Barleylands

Thursday 21st March – Year 2 to Al Madina Mosque, Barking

REPORTS

This year, we will not be holding Parents' Evening in March, however we will instead send home your child's school report before the Easter break. We will subsequently hold the second Parents' Evening of the school year in June 2019.

SCHOOL UNIFORM AND P.E. KIT

Thank you for ensuring that your child comes to school in full, named school uniform. Where children are not wearing the correct uniform, they will be sent home with a reminder letter. Trying to locate lost items of P.E. kit takes up a lot of lesson time, therefore when you return your child's P.E. kit after half term, please ensure it is fully named. If it isn't, it will be returned to you and your child will be unable to participate in P.E. lessons until they have a full, named kit. Thank you for your understanding.
