

26<sup>th</sup> March 2019

Dear Parents/Carers

As you may already be aware, your child will shortly be participating in a phonics screening check.

The phonics screening check is taken individually by all children in Year 1 in England. It is designed to give both teachers and parents information on how your child is progressing in phonics. It will help to identify whether your child needs additional support at this stage so that they do not fall behind in this vital early reading skill.

We will be holding parent meetings about the phonics screening check on Tuesday 2<sup>nd</sup> April at 3.15pm and 5.00pm. We would be delighted to see you there so that we can explain the assessment process to you.

We look forward to seeing you next Tuesday.

Yours sincerely
