

# Riverside News

## A message from Mrs Kinnaird

So much has changed since our last newsletter that I don't quite know where to begin. Firstly, thank you for your ongoing support during the challenging times we find ourselves in. Whilst the situation remains uncertain, we are still here and can be contacted through the school email:

[primary@riverside.bardaglea.org.uk](mailto:primary@riverside.bardaglea.org.uk)  
as well as the year group emails.

You can also get in touch via PS Connect or by phoning the school – if there is no reply, leave a message and someone will get back to you. We are still busy tweeting @RVSPprimary so don't forget to tag us in your home reading challenge photos!

Most importantly, all of us here at Riverside Primary wish you and your families safe and well. We look forward to seeing you soon.

Remember to  
follow us on  
Twitter!  
[@RVSPprimary](https://twitter.com/RVSPprimary)

## Home Reading Challenge

For obvious reasons, we can't resurrect our Extreme Reading Challenge, however, please join in with our home reading challenge instead! Tweet us @RVSPprimary and share your reading picture with the last sentence you read.

Mrs Hart has been keeping her mind active by reading a quiz book and Mrs Coppin and Steve the cat have nearly read all 700 pages of their latest book!

## RESPECT AWARD WINNERS

Reception	Ibrahim	Mahnoor
Year 1	Abdur-Raheem	Aman
Year 2	Soraia	Kahraman
Year 3	Hillary	Micah
Year 4	Libbie	Edith

## Home Learning

All pupils have now received a log-in for Studyladder, where work is being set for them by their class teacher. If you have not received this, please contact the school as soon as possible.

Also have a look at White Rose Maths – this is the scheme of learning we use at school and there are some fantastic Maths home learning resources on there. The Hamilton Trust also has great English home learning packs. Don't forget to check out the links listed on our school website under Curriculum > Home Learning.

We would advise trying to stick to a routine where possible, but not to overload your child, it's a confusing and challenging time for them as well. Exercise and lots of creative activities are also essential! Save the Children have some great ideas on their website:

<https://www.savethechildren.org.uk/what-we-do/coronavirus-information-advice/keeping-kids-entertained-during-lockdown>

Should you need support, please contact us... and we think you're all doing a great job! 😊
