

School Days Half-Term Project

Our topic for this half term was School Days. These activities are for you to do at home with an adult. You can do all of them or choose the ones that you find most interesting.

Your project is due by **Friday 4th March 2022.**

1. Draw a plan of your school from memory and label the different areas, such as the hall, library and classrooms. Colour your plan in and label the different areas.

2. A timeline is a line that has important events on it in chronological order. Complete a timeline of your life. Think about the important things that have happened and when, such as being born, starting school and moving year groups.

3. Look at and compare the images showing rich and poor Victorian families. Record your observations by writing a few sentences about each picture. Then talk with an adult about how these pictures compare to family life today.

Rich Victorian family

Poor Victorian families

4. Design school uniform from the Victorian Era. What colours would you use? Did they have book bags?
