

# Rocks, Relics and Rumbles

This half term, our topic will be Rocks, Relics and Rumbles.

Below are your home learning activities for our topic.  
Please choose at least 1 activity to complete over the half-term.

Your project is due by Friday 11<sup>th</sup> March 2022

## What will you choose to do?

- Create a model of the layers of Earth using a range of materials. Label each layer and write a short description about each layers features.
- Make an information poster about Mary Anning, the famous fossil collector. Include images and interesting facts.
- There are three main rock types. These are sedimentary, igneous and metamorphic. Briefly describe how each type is formed, their properties and at least two examples of each type
