

Red Ted Art

Our topic this half term is 'Dangerous Dinosaurs'.

We have learnt lots of cool facts and can name different types of dinosaurs!

Have a look at some art activities you could do at home with an adult.

HOMEWORK: This term, for your homework project, we would like you to create an object or item linked with our topic 'Dangerous Dinosaurs'.

Here are some choices to help you. You could make a dinosaur, dinosaur egg, fossil, dinosaur bones etc.

You can use different materials to make your project.

Your project is due by **Friday 22nd April 2022**.
