

In Art we have been using lines to create animals.

In Geography we looked at where animals come from. Did you know that Zebras come from Africa?

In Big Write we have been retelling 'The Tiger Who Came To Tea.. Our WOW launch helped us to write a fact file. We also created our own Mythical Creature and gave them special powers.

We also had an amazing day at Colchester Zoo. We discovered that Sea Lions love to swim upside down.

In Maths we have learning about Mass, Capacity and Volume. Did you know Volume varies for different objects?

Please ensure your child has their PE kit and appropriate clothing for the weather.
