

10th May 2022

Dear Parent/Carer,

Maths – Investigation morning

After our Maths curriculum evening a few weeks ago, we would like to invite all parents in between 9-10am. The children will be completing different maths investigations depending on their age group and it would be great to have you support your children in their maths learning journey.

We look forward to see many of you in the school on Friday 13th May 2022 between 9-10am.

Yours sincerely

Mr Jones
