

In Big Write we have been writing a fact file on a terrapin. We have including features such as a title, subheadings, captions and facts. Did you know, all the information in a fact file must be true!

In Maths we having been counting in 2s. We understand that when you count in twos, the numbers are always even. So we already know that number 59 is not a multiple of 2.

In Science we have been grouping and sorting animals. We can sort animals into herbivore, carnivore and omnivore. Did you know that humans are mostly omnivores?

Please ensure your child has their PE kit and appropriate clothing for the weather.

As part of our WOW launch we had a visit from Terry the terrapin. We were able to ask Mrs Swann, the owner of the Terry, lots of questions about it. We learnt about its habitat and diet. We even got to feel it's shell! Did you know that a male terrapin has a long tail?
