

This month we have been working with an organization called First Give. We have chosen our own charities and are raising money by hosting our own stalls.

We also went on our Year 6 residential trip to Thriftwood this month. We did a lot of activities including Archery, Axe Throwing and Rock Climbing!

June

We also took part in a selfie workshop this month! We learnt how to use a camera and different tricks about lighting and angles.

We have also been practicing really hard for our production this month!
