

In Design and Technology we investigated the different parts of a wheel and learnt that the chassis is the framework that attaches the axels and the wheels to the body of the vehicle. We put together a vehicle so that we could see how every part as an important job to do to make the vehicle move.

As part of our WOW launch we enjoyed an afternoon tea just like the Queen has at Buckingham Palace.

Please ensure your child has their PE kit and appropriate clothing for the weather.

In Big Write we have been writing descriptions of London Landmarks. We carried out lots of research about different London Landmarks such as Big Ben, Tower Bridge and The London Eye. We also had the opportunity to explore a London Black Taxi which was fun! Have you visited any of these landmarks?

In Maths we having been comparing numbers within 100. We used our counting in 10s skills to identify if a number is greater or less than another number. Can you compare your numbers? Which number is greater 45 or 54?
