

Anglo Saxons visit Riverside...

Year 4 were visited by Portals to the past, an Anglo Saxon workshop.

They learnt about the clothing Anglo Saxon's wore, the ancient Anglo Saxon poem Beowulf, the development of the Anglo Saxon language

I liked learning about the days of the week and enjoyed how many different things were avail-

Learning is prehistoric in valley

This term Year 3 started a new topic called 'Through the Ages'. They have been learning about British prehistory from Stone Age to the Iron Age.

They visited the Horniman museum to explore the changes to people, homes and lifestyle

Mad about materials in Trout class.

Trout class had an amazing time investigating materials at the Science Museum.

We explored metals, wood, plastic and paper.

We are listening:

Taking into consideration feedback from parents we will now hold parent curriculums

15 th December	KS2 School disco - 4.30pm - 6pm
Friday 16 th December	Coffee morning - Maths

A marvellous machine drives into Riverside.

Reception were visited by Mr Swann and his Black Cab as a part of their marvellous machines topic. The children all had a chance to sit in the cab and some even had the chance to beep the horn.

The children gave Mr Swann many different destinations that they would like to travel to. With the most popular being the beach,

Where would you travel to, if you had a marvellous machine?

Year 1 are investigators.

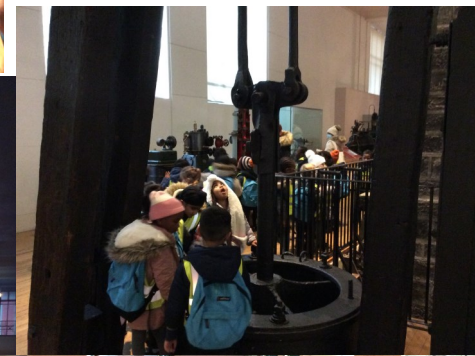

Trout and Carp class visited valence house where they investigated old toys. They looked at scooters, dolls and action figures. Some of the toys were very similar to what we have today. Just made out of different materials.

The teachers escorting us felt very old when they saw their childhood toys in the museum.

Not only did Carp and Trout class visit valence house, they also visited the science museum. They were investigating everyday materials and how these can be used to make a range of objects. They looked at why different materials were chosen and the properties of materials.

Back at school they sorted and tested a range of materials to

Santa's post box will be open for all your Christmas card delivery needs from December 5th.
