Approved: November 2022

Next Review: November 2024

Key Contact Personnel	
Nominated Member of Leadership Staff Responsible for the policy	Nicole Coull
Designated Safeguarding Lead	Tracey Hart (DSL) Nicole Coull (DDSL)

This policy will be reviewed every two years, and following any concerns and/or updates to national/local guidance or procedures

This policy is based on DfE guidance “Preventing and Tackling Bullying” July 2017 and supporting documents. It also considers the DfE statutory guidance “Keeping Children Safe in Education” 2022 and ‘Sexual violence and sexual harassment between children in schools and colleges’ guidance. The setting has also read Childnet’s “Cyberbullying: Understand, Prevent and Respond: Guidance for Schools”.

1) School ethos

Riverside Primary School recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.

By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

This policy outlines what Riverside Primary School will do to prevent and tackle all forms of bullying and has been adopted with the involvement of the whole school community. Riverside Primary School is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form and where we expect everyone to act with kindness and respect to each other.

2) Responsibilities

- It is the responsibility of:
 - The Headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a

member of the senior leadership team has been identified to take overall responsibility.

- Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school.
- Pupils to abide by the policy

3) What our school does to tackle bullying

Riverside Primary School recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.

Our school ensures pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the Anti-Bullying policy.

Our school community are aware school staff will intervene by identifying and tackling bullying behaviour appropriately and promptly whilst recognising the potential impact of bullying on the wider family of those affected. Our school staff will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages as well as utilising support from the Local Authority and other relevant organisations when appropriate.

What is bullying?

- Bullying can be defined as “behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”. (DfE “Preventing and Tackling Bullying”, July 2017)
- Bullying can include name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.
- This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bullying is recognised by the school as being a form of child on child abuse. It can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.

4) Forms and types of bullying covered by this policy

Bullying can happen to anyone. This policy covers all types and forms of bullying including:

- Bullying related to physical appearance
- Bullying of young carers, children in care or otherwise related to home circumstances
- Bullying related to physical/mental health conditions
- Physical bullying
- Emotional bullying
- Sexual bullying
- Bullying via technology, known as online or cyberbullying
- Prejudicial bullying (against people/pupils with protected characteristics):
 - Bullying related to race, religion, faith and belief and for those without faith
 - Bullying related to ethnicity, nationality or culture
- Bullying related to Special Educational Needs or Disability (SEND)
- Bullying related to sexual orientation (homophobic/biphobic bullying)
- Gender based bullying, including transphobic bullying
- Bullying against teenage parents (pregnancy and maternity under the Equality Act)

5) What should you do if you are being bullied or see someone else being bullied:

If you are being bullied or know of someone else being bullied, it is important to tell someone you trust, even if this is happening outside of school or online. Tell an adult when at school or your parents/carer when at home. If you have already told an adult about bullying but it has carried on, you should tell them again. It is really important to speak to someone if you think you are being bullied or someone in school is making you unhappy or uncomfortable. You can:

- Tell a teacher – your class teacher or any other teacher you feel comfortable talking to
- Tell a Lunchtime Buddy
- Tell any other adult staff in school that you trust
- Tell an adult at home and ask them to speak to your teacher
- Write a note about the bullying and put it in the worry boxes in class or the worry box on the safeguarding board.
- Write a note and put it in the virtual worry box on our website
- Call ChildLine at any time for free on 0800 1111

involvement from the Police or referrals to Early Help, Children Social Work Service, or the Children and Young People's Mental Health Service (CYPMHS).

Supporting adults

Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.

- Reporting offensive or upsetting content and/or accounts to the service provider, where the bullying has occurred online.
- Reassuring and offering appropriate support.

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern. - The Social Inclusion Officer or another member of leadership staff will interview all parties involved.
- The DSL will be informed of all bullying issues where there are safeguarding concerns.

- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
