Use a range of sources to find out about the Anglo-Saxon and Viking way of life. Record your findings under headings of your choice on two mind maps – one for the Anglo-Saxons and one for the Vikings. Example headings could include food, homes, art, beliefs, law and warfare. Use your mind maps to help you write two non-chronological reports: 'The Anglo-Saxon way of life' and 'The Viking way of life'. Include the title, an opening paragraph, headings, detailed facts and pictures with captions on each report.

Create a 5-day diary describing life in the Anglo-Saxon times. Explain from the perspective of a child or warrior. Talk about your daily life and your wishes and dreams. Remember to describe your days fully using as much information as you can.
