

# Dynamic Dynasties

Investigate your favourite planet and make a model of it. Create a fact file that gives interesting facts about the planet that can be displayed beside it so others can learn about it too.

Home learning is due  
Friday 19th  
January 2024

Make a 3D model of Cheng Tang  
(first King of the Shang).

Try and replicate his  
clothing, hair and look.

Remember he was a king so  
his clothing would have been  
beautiful and colourful.

We have investigated tints, tones  
and shades. Create an  
information poster to explain to  
others what they are (definitions)  
and how you create them.

Remember to warn people not  
to add too much black or white!
