Dear applicant,

Thank you for your interest in joining the Riverside School. We are seeking a driven, passionate and committed individual to pioneer a specialist Dance curriculum as part of the Physical Education team. We are looking to extend our already broad range of activities within our curriculum with a varied, high quality and inclusive Dance offer at all Key stages. We would also like to provide an opportunity for students with an interest in Dance to pursue this to a high level through specialist coaching and the chance to display their excellence through polished performances. Successful candidates will be at the forefront of designing and implementing these opportunities, alongside delivering KS4 Level 2 BTEC in Performing Arts through Dance. We are fortunate to have a dedicated Dance Studio with full length mirrors and a sprung floor.

As a department we offer wide range of extracurricular activities, varied curriculum, inter-house competitions and numerous trips offered throughout the year. We also seek to actively encourage students to try new experiences through a large Duke of Edinburgh Award programme at all levels, our Ski trip to Italy and annual Football tour to Paris. The successful candidate will be joining a social, dedicated department at an exciting time with brand new facilities and a burgeoning reputation for excellent results and extracurricular successes. If you would like to get a flavour of some of our recent success then we can be found on Twitter and Instrgram at @RiversidePEDept.

We are looking to appoint an innovative and enthusiastic Dance teacher who has excellent subject knowledge and the ability to be at the forefront of KS 3 and 4 teaching to join our highly successful and collaborative department.

The successful candidate will:

- Have a passion for Dance which is evident in their day to day teaching.
- Be a highly competent teacher.
- Contribute fully to extracurricular activities.
- Play a full and active role in the life of the school.
- Be a reflective practitioner with focusses on continuous learning and development of practice.

In return, we can offer you:

- A cohesive team of people who believe in working collaboratively; sharing ideas and supporting each other.
- The opportunity to further develop innovative teaching and learning strategies to ensure students achieve excellence.
- The chance to join a growing school with further opportunities for progression
- Unrivalled CPDL opportunities to further develop your skills as a classroom practitioner and to develop leadership skills as you progress.
- Purpose built and well-furnished classrooms/facilities in a brand new £45 million school.

Yours faithfully
