13th July 2021

Dear Parents/Carers,

We have been very fortunate to secure over 2,000 books from the **Children's Book Project**. Their aim is for every child to own their own book as ownership has been directly linked to a greater inclination to read for pleasure, whilst reading fluency itself has a significant impact on children's successful progression through education.

On behalf of the school, your child would have been gifted with a new book which they now own and more importantly will have the opportunity to read over the summer period. This is a novel that your child has selected independently and will be able to keep throughout their lives.

Please ask your child questions about their books, as it will help foster a reading community which is vital for the development of your child. To continue the momentum, next year we will plan 'book swap shop' events so students have an opportunity to read a variety of texts. We also aim to create a digital reading blog/ book review catalogue so students can provide peer-peer recommendations. This opportunity will be awarded to students who attend the Reading Champion Club at the beginning of the academic year in September and throughout.

If you would like more information it can be found on the following website:
<https://childrensbookproject.co.uk/>

Kind regards,

Mirza Amin

Teacher of English | Riverside Reading Champion
