PROM PHOTOGRAPHY AT THE KINGS OAK:

For several years we have provided professional prom coverage at the Kings Oak. This generally includes arrival shots on the grassy area at the front of the building with the stunning back drop of Epping Forest, then some pool-side shots and a pro-studio set up in the evening! (The studio may not be available for the smaller Oak Lounge proms). We do not charge an attendance fee.

Cards are given out to all attendees on the night with a link and a secure access code to view all images online. Galleries go live and are available to view 5-7 days after your prom. Using the secure online gallery, attendees and their families can order digital files, quality photographic prints and canvas prints. Payment is by PayPal via the gallery cart.

We also send the this link and code to access each individual school gallery to the prom organiser prior to the prom to distribute via parent mail, email, social media etc. Often parents don't get to see the images (if gallery cards are misplaced), so its great if schools can get the info out to the parents who are always very keen to view the lovely images that we capture.

ON THE NIGHT '3 for 2' SPECIAL OFFER:

We have a computer operator available to take orders on the night. Our 'Early Bird Special 3 for 2' offer is available on low resolution digital files and selected photographic print sizes (includes p&p).

x3 Low Res Digital Files = £10 | x3 6x4's = £14 | x3 9x6's = £20 | x3 10x8's = £30

PLEASE BRING CASH OR A CHEQUE ON THE NIGHT TO TAKE ADVANTAGE OF THIS OFFER! YOU CAN ALSO GET TOGETHER WITH YOUR FRIENDS TO COMBINE ORDERS.

All photographic orders are sent away to a pro-lab for printing (so they are not printed instantly).

If we have WIFI access, it is usually possible to send low resolution digital files straight to customers! We have recognised that students like access to images for social media use asap!!

There are some additional options which may be of interest to **schools...**

Full Disc Buy out: £500

All of the images from the prom supplied to the school on disc at high resolution.

The images can be distributed by the school as necessary, sold to students if they wish.

All responsibility for permissions and distribution of digital files then lies solely with the school.

This fee could be paid by the school or accounted for in the ticket price if deemed suitable.

Normal online gallery and print / canvas sales are still available if required.

Pre-Paid Vouchers: £10 denominations.

Vouchers may be purchased in advance of the prom.

These can be used to order prints, digital files and can also be used in combination with the 3 for 2 on the night offer. This option is sometimes requested when organisers would prefer that students didn't carry extra cash on the night.

Normal online gallery and print / canvas sales are still available if required.
