Dear Mr Roberts,

I am pleased to present the Annual Statistical Report for The Duke of Edinburgh's Award in Barking and Dagenham. This report provides a borough-wide analysis of DofE participation and achievement alongside your organisation's statistics for the period 1<sup>st</sup> April 2017 to 31<sup>st</sup> March 2018.

At the school there were 117 Awards started, up from 33 the year before, along with 38 Awards achieved, an outstanding 115% achievement rate. This marks an exceptional year of DofE development at Riverside School and I would like to recognise the effort and achievement of the staff who dedicate so much time to ensure the DofE is available to young people within the school.

Elizabeth Oliver has recently started in the position as Operations Officer, and is available to support the school with delivery of the programme, so please remind Tom Blandford of this offer.

Thank you for your on-going support for the DofE at Riverside School. I look forward to our continued working relationship in developing opportunities for young people across your organisation.

If you have any questions regarding this report please do not hesitate to contact me.

Yours sincerely,

Oliver Rice  
Operations Manager, DofE London
