Key Stage 3 – Coronavirus (COVID 19) Home Learning Plan

Dear Parents/Carers,

We want to ensure your son/daughter’s learning is not affected during the Coronavirus (COVID 19) school closure and a plan for home learning has been put in place to minimise learning disruption. Your son/daughter this week has been issued with the following:

- CenturyTech login – <https://app.century.tech/login/>
- HegartyMaths login - <https://hegartymaths.com/login/learner>
- Subject work booklets
- Microsoft Office 365 Email <https://login.microsoftonline.com/> (use standard computer username and password)
- Read widely for 30 minutes per day as a minimum

Subjects have created or assigned tasks for students to complete at home whilst the school closure is in place. Students are strongly advised to adhere to the home learning timetable below and read widely for 30 minutes per day as a minimum to ensure good progress. We kindly ask that you monitor your son/daughter following the timetable below – students should mirror the school day at home to ensure good routines:
