

YOU DON'T
MAKE A PHOTOGRAPH
JUST WITH A CAMERA.
YOU BRING TO THE ACT
OF PHOTOGRAPHY ALL THE
PICTURES YOU HAVE SEEN, THE
BOOKS YOU HAVE READ, THE
MUSIC YOU HAVE HEARD,
THE PEOPLE YOU HAVE
LOVED.

- ANSEL ADAMS

YEAR 10 1 MONTH PHOTOGRAPHY PACK

PHOTOGRAPHY is a WAY
OF FEELING, OF TOUCHING,
of loving. WHAT YOU
HAVE CAUGHT ON FILM IS
CAPTURED FOREVER... IT
REMEMBERS LITTLE
THINGS, LONG AFTER
YOU HAVE FORGOTTEN
EVERYTHING.

- AARON SISKIND

WEEK 1

PORTRAIT PHOTOGRAPHY

TASK

Use your smartphone/iPad/digital camera to photograph your friends and family. Take portrait photographs thinking about the person – their facial expressions and surroundings.

PHOTOSHOOT 1

Find a plain wall in your home. If you don't have one, maybe you could use a sheet (like Olivia Rose does) and hang it up to create a backdrop.

Try to focus on the facial expressions of the person without other distractions.

Think – Are you showing who they are as a person? Have you captured their emotions?

PHOTOSHOOT 2

Photograph people in their natural surroundings.

Try to show their personality and identity through where the photograph is being taken and what can be seen around the person

Think – Are you showing who they are as a person? Have you captured their personal surroundings?

WEEK 1

PORTRAIT PHOTOGRAPHY

PHOTOSHOOT 3

Reshoot your portrait photographs. This time refine what you have been doing to imitate the work of David Bailey.

Look at the way these photographers have got their subjects to interact with the camera.

WEEK 3

FILTERS

TASK 1

Download the HUJI app (it's free!)
This acts like a disposable camera, creating random light effects onto your images.
Take portrait photographs of your friends and family using this app.
The images that you take should imitate the use of a film camera.

TASK 2

In a similar way to this you can also use filters on apps such as snapchat and instagram.
If you have an account, try capturing images using different filters (not ones that change your face!)

WEEK 4

SELF PORTRAITS

TASK

Explore different ways of taking self portraits. Try to use self-timer and reflections rather than the standard 'selfie pose'.
