

21st February 2022

Year 11 and Year 13 Mock Examinations

Dear Parents/Carers,

As you know, your son/daughter's mock GCSE exams will commence shortly. They will last from Friday 25th February until Friday 11th March. A copy of the timetable has been reattached for your reference.

Students should ensure they are revising in order to prepare for these mocks; students received revision material before half term from their class teachers to support them.

Interventions and independent study from 3-4pm will be paused from this Friday 25th. Students may have multiple exams on one day and so should use this time to prepare and consolidate their knowledge for their next subject. Year 11 and 13 detentions will be moved forward, running from 3pm to 4pm during this time.

On Monday 14th March, students will return to their usual timetable and independent study, intervention and detention arrangements will return to normal, with current intervention groups resuming. If students do not attend, usual consequences will apply.

In preparation for their mocks, please ensure your son/daughter has all necessary equipment in advance of their mock exams starting, including spare pens/pencils and a working scientific calculator if required for their exams. Stationery will not be provided to students who arrive lacking equipment.

Can I also ask that you ensure your son/daughter is setup for success with a good night's sleep, a nutritious breakfast and an arrival to school in good time before the start of the school day at 8:30am, helping to ensure they feel well-prepared and are in a good mind-set to start their mock exam.

Kind regards,

S Madhvani

Miss S Madhvani
